

CNC Machine Operators

Our client is looking for CNC Machine Operators immediately for their Oakville facility

Details:

- 10 people required: 3 DAYS, 3 AFTERNOONS, 3 NIGHTS
- **Days**-7:30am-4:00pm, **Afternoons**-3:30pm-12:00am, **Nights**-11:30pm-8:00am (this facility is right by the Go Station)
- Pay Rate: \$17.00 for Days and the Afternoon and Night shift is \$18.00/hr
- Will be operating the CNC Mill machines---loading and unloading product, pressing a button to start the CNC process, Quality Inspection of finished product to check for proper tolerances
- Need to be experienced operating a CNC Mill
- Need to be experienced checking tolerances with using micrometers and or vernier caliper *** these are measuring instruments used for quality inspection to check for proper tolerances. If the tolerances are off then the set up of the CNC machine needs to be adjusted ****
- The micrometers are manual, not digital. The reason for this is that their clients are from the Aerospace Industry so its important the measurements are precise. If someone only has experience with digital, they will trained them on the manual ones

How to Apply

If you are interested in applying for this opportunity please visit **Booth 19** at the Hire Canada Job Fair & Training Expo on **Wednesday, December 5, 2018** at the **Mississauga Convention Centre** between 11AM – 3PM.
