JOBS HERE!

Move To Grey County

THE AGENCY is an employment agency that provides full-time and temporary employees to businesses throughout Grey & Bruce Counties. Working directly with you, our employment specialists develop an understanding of your background to help find a position that matches both your skills and experience.

Stretching from the coast of Lake Huron in the West, to Collingwood in the East; and from the tip of Tobermory in the North, to the Border of Mount Forest in the South, the geographic area of Grey & Bruce counties is actually slightly larger than the GTA. Despite its relative size though, the population in this region is far less dense than those found south of us.

This lower population density means fewer workers in our area with the skills that local employers need. With less competition for roles, combined with the opportunity to work in one of the most beautiful areas in Ontario, you can see why workers are excited to make the move to our region.

Currently, we are looking for workers in the following sectors:

- Manufacturing
- Shipping & Receiving
- Healthcare (RN's And PSW's)
- Skilled Trades (Welders, Millwrights, Sheet Metal, HVAC, Refrigeration, Gas Fitters)
- Accounting, Admin & Payroll
- Many More!
